"Are you feeling the fire
Are you ready to explode
Are your dreams and desires
Running down an open road"
"I'm like a runaway
A heart without a home
I'll fight for every inch I take
I'm desperate to the bone"

Stay hungry-- feel the fire
Stay hungry-- don't explode
Stay hungry-- with desire
Stay hungry-- you're alone

Be the hunter and the hunted
Keep your target in your sight
Don't be sidetracked or shunted
Let pretenders feel your bite

Never show you're weak
Don't feel you've got to hide
Remember what you're fighting for
Remember what you seek

If your fire is faded
And you can't feel it no more
If you're tired and overrated
Let me show you to the door

Expect no sympathy
There's none to be had
Open your eyes and see
There's no room for wanna-be's, the has-been's or the
bad
