[Spoken]

Summertime and the livin' is easy.  
The summer's here, yeah, you gotta believe me.  
I'll ride the wave to wherever it leads me.  
Where the sun shines bright and the wind blows  
breezy.  
No sleep 'til summertime.

[Boy]

In the summertime all is rad; you know what I mean.  
Girls look fly passin' by; it's a beautiful scene.  
Toes in the sand, hand in hand; everything unplanned.  
Same time, same place, soakin' the sunrays; don't you  
forget my face.

[Girl]

In the summertime it's all good; you know what I mean.  
The boys look fly, they catch your eye; it's a beautiful  
scene.  
Justin on the radio, party on the patio, ready, here we  
go  
Same time, same place, soakin' the sunrays; big smile  
on my face.

[Chorus]

There'll be no sleep 'til summertime.  
(No sleep, yo, aw come on, come on)  
Waitin' for it all through the year.  
(Flip flop and halter top rockin')  
There'll be no sleep 'til summertime.  
(T-Squad; pop-lockin')  
Waitin' 'til the summer is here.  
(No sleep yo)  
Til' the sum- sum- summer time's here.  
(Aw, yeah.)  
No sleep 'til the sum- sum- summer time's here.

[All]

Soda pop, old school hip-hop; dancin' 'til we drop.  
(Word, word)  
Send me a text, "What's up next?"

Lying in the sun.  
Monkey in the middle, when we were little.  
We knew how to have some fun.  
Same time, same place, soakin' the sunrays, can't let it  
go to waste.

[Chorus]

There'll be no sleep 'til summertime.  
(No sleep, yo, aw come on, come on)  
Waitin' for it all through the year.  
(Flip flop and halter top rockin')  
There'll be no sleep 'til summertime.  
(T-Squad; pop-lockin')  
Waitin' 'til the summer is here.  
(No sleep yo)  
Til' the sum- sum- summer time's here.  
(Aw, yeah.)  
No sleep 'til the sum- sum- summer time's here.

[All]

Reason one why summer rules: we don't have to go to  
school.  
From the beach to the pool.  
Lookin' hot and keepin' cool.  
Open toes, T's and Vans.  
Workin' on the perfect tan.  
Instant message, "What's the plan?"  
Parents just don't understand.  
Hot dogs, beach parties.  
Checkin' out the superhotties.  
Volleyball and catchin' rays.  
Now it's time to hit the waves.  
At the mall, window shoppin'; dreamin' up a look that's  
poppin'.  
Summertime jams droppin'.  
Summertime is never stoppin'.

[Chorus]

There'll be no sleep 'til summertime.  
(No sleep, yo, aw come on, come on)  
Waitin' for it all through the year.  
(Flip flop and halter top rockin')  
There'll be no sleep 'til summertime.  
(T-Squad; pop-lockin')  
Waitin' 'til the summer is here.  
(No sleep yo)  
Til' the sum- sum- summer time's here.  
Nah, nah, nah, nah, nah, nah, nah, nah, nah, nah  
(Til' the sum- sum- summertime's here)  
Nah, nah, nah, nah, nah, nah, nah, nah, nah, nah  
(No sleep, yo, aw, come on, come on)
