Summertime and the livin' is easy  
The summer's here, yeah you gotta believe me  
I'll ride the wave to wherever it leads me  
Where the sun shines bright and the wind blows breezy  
No sleep til the summertime

In the summertime all is rad  
You know what I mean  
Girls look fly passing by  
It's a beautiful scene

Toes in the sand, hand in hand  
Everything unplanned  
Same time, same place  
Soaking the sun rays  
Don't you forget my face

In the summertime it's all good  
You know what I mean  
The boys look fly, they catch your eye  
It's a beautiful scene

Justin on the radio, party on the patio  
Ready here we go  
Same time, same place  
Soaking the sun rays  
Big smile on my face

There'll be no sleep til summertime  
(No sleep yo, aw come on come on)  
Waiting for it all through the year  
(Flip floppin', halter top rockin')  
There'll be no sleep til summertime  
(T-Squad, pop lockin')

Waitin' til the summer is here  
(No sleep yo)  
Til sum- sum- summertime's here  
(Uh, yeah)  
No sleep til the sum- sum- summertime's here

Soda pop, old school hip hop

Dancing till we drop  
Send me a text, whassup next?  
Lying in the sun

Monkey in the middle, when we were little  
We knew how to have some fun  
Same time, same place  
Soakin' the sun rays  
Can't let it go to waste

There'll be no sleep til summertime  
(No sleep yo, aw come on come on)  
Waiting for it all through the year  
(Flip floppin', halter top rockin')  
There'll be no sleep til summertime  
(T-Squad, pop lockin')

Waitin' til the summer is here  
(No sleep yo)  
Til sum- sum- summertime's here  
(Uh, yeah)  
No sleep til the sum- sum- summertime's here

Reason one that summer rules  
We don't have to go to school  
From the beach to the pool  
Looking hot and keeping cool

Open toes, tee's and vans  
Working on the perfect tan  
Instant message, what's the plan?  
Parents just don't understand

Hot dogs, beach parties  
Checking out the superhotties  
Volleyball and catching rays  
Now it's time to hit the waves

At the mall, window shopping  
Dreaming up a look that's poppin'  
Summertime jams droppin'  
Summertime is never stopping

There'll be no sleep til summertime  
(No sleep yo, aw come on come on)  
Waiting for it all through the year  
(Flip floppin', halter top rockin')  
There'll be no sleep til summertime  
(T-Squad, pop lockin')

Waitin' til the summer is here

(No sleep yo)  
Til sum- sum- summertime's here  
Nah nah nah nah, nah nah nah, nah nah nah  
Til the sum- sum- summertime's here

Nah nah nah nah, nah nah nah, nah nah nah  
(No sleep yo, aw come on come on)  
Til the sum- sum- summertime's here  
Nah nah nah nah, nah nah nah, nah nah nah  
Til the sum- sum- summertime's here

Nah nah nah nah, nah nah nah, nah nah nah  
(No sleep yo, aw come on come on)  
Til the sum- sum- summertime's here

Nah nah nah nah, nah nah nah, nah nah nah  
(No sleep yo, aw come on come on)  
Til the sum- sum- summertime's here
