Swing cherry bing in a bling that ya get now
Everything that we sing gotta get down
Doncha miss holla chris cause it's snipped out
Cancha tell buy or sell til it's shipped out

True to wire, make it fire like a flip flop
Bring you higher to inspire with da hip hop
Truth or dare if you care how we sell this
Say it clear so we hear how to spell this

Hey ho wind up and let it go now
Hey ho we comin at you (psyche)
Hey ho climb up and let it flow now
Hey ho it's time to rock da mic

Zoom to the room where the boomstand holds up
'sup buttercup pup tent folds up
Jack hacky sack cause we wake up early
Cut your hair and make it extra curly
Check your text on your best friend's celly
Change your socks so they don't get smelly
A lemonade from the downtown deli

And kick this rhyme supa extra melly

Hey ho wind up and let it go now
Hey ho we comin at you (psyche)
Hey ho climb up and let it flow now
Hey ho it's time to rock da mic

I to the m saying what's up cousin
After school while the bumble's buzzing
True da wire make it fire like a flip flop
Bring you higher to inspire with da hip hop
Write cha rhyme double time to the beat box
Setcha loop to the hoop but it still rocks
Fill the skills now that you assemble
Tracks that clack make the old dudes tremble

Hey batter - is that bat too heavy for you
I say hey batter hey batter batter batter swing!!!!

Hey ho wind up and let it go now
Hey ho we comin at you (psyche)
Hey ho climb up and let it flow now
Hey ho it's time to rock da mic
