Mother, mother
There's too many of you crying
Brother, brother, brother
There's far too many of you dying
You know we've got to find a way
To bring some lovin' here today
Father, father
We don't need to escalate
War is not the answer
For only love can conquer hate
You know you've got to find a way
To bring some understanding yeah today
Aw, picket lines, picket signs
Don't punish me with brutality
Talk to me so you can see
Oh what's going on,
Tell me what's going on
Mother, mother
Ev'ry body thinks we're wrong
Baby who are they to judge us
'Cause our hair is long
You know we've got to find a way
To bring some understanding here today
Good God
