I saw the harbor lights.

They only told me we were parting.

Those same old harbor lights

That once brought you to me.

I watched the harbor lights

How could I stop the tears from starting?

Some other harbor lights will steal your love from me.

I longed to hold you near

And kiss you just once more.

But you were on the ship

And I was on the shore.

Now I know lonely nights.

And all the while my heart is whispering.

Some other harbor lights will steal your love from me
