Lay your head on my shoulder  
And I'll sing you a lullaby  
I will watch you while you're sleeping  
And I'll be here at first like  
Love is happening in slow motion  
Something like a fairytale  
Cause I'm falling  
Falling  
Please don't try to catch me when I'm falling  
Falling for you

Let's take a boat out on the water  
Floating downstream just you and I  
Who knows where the wind will take us  
When I'm with you well I don't mind  
Love is lighter than a feather  
Sinking softly from the sky  
When I'm falling  
Falling  
Please don't try and catch me when I'm falling  
Falling for you  
Falling, falling  
I don't want to stop myself from falling  
Falling for you

Tell it to the sea  
Tell it to the moon  
Tell it to the stars  
Tell it to the sky  
Tell it to the sun  
Tell it to everyone  
That I'm falling, falling  
Please don't try and catch me when I'm falling  
Falling for you  
Falling, falling  
I don't want to stop myself from falling  
Falling for you  
Don't try to catch me, I'm falling  
Just for you  
Don't try to catch me, I'm  
I'm falling for you
