How would you like a different heart?
One that's not always falling apart?
I would.

How would you like a different face?
One that's not always so out of place?
I would.

Chorus

If I could change and not fall apart,
I'd be one less lost soul in the dark.
I wanna see, what's up ahead,
But I keep on stumbling...instead.

What would you do if I asked you to dance?
I know what I'd say if given the chance.
I would.
How would you feel if I gave you a kiss?
Would it make you melt or would you resist, I wonder?

Chorus

If I could change and not fall apart,
I'd be one less lost soul in the dark.
I wanna see, what's up ahead,
But I keep on stumbling...

I never told you.
Kept the words in my heart.
But if I could hold you,
It'd be a good start.

Chorus

If I could change and not fall apart,
I'd be one less lost soul in the dark.
I wanna see, what's up ahead,
But I keep on stumbling, I keep on stumbling ooooooh
I wanna see what's up ahead,
But I keep on stumbling, I keep on stumbling.
I keep on stumbling...instead.

Ooooh Hoooooh
