Now Baby don't worry
If it troubles your mind
Cause it will all wash away girl, in the river of time
If you need a shoulder, I'll be around
Be your rock to hold hold on to, till the river goes down.

It's hell and high water
That your goin through
But come hell or high water,
I'll be here waiting for you

I can't keep you from cryin'
And I can't stop your pain
Bright as the sunshine,
Never could stop the rain

But you know that I'll be there
Just like that old sun
I'll be your good mornin
When your cryin's all done

It's hell and high water
That your goin through
But come hell or high water
I'll be here waitin for you

It's hell and high water
That your goin through
But come hell or high water
I'll be here waitin for you
