launchin my verbal scatter
that shit ya'll do ain't worth the urine
sticking in my bladder
the yappin and the chit chatter
don't even matter cause nothins fatter
than rapper's faces after I verbally gat ya
beat em like they was Hagler
rip em like no good paper
that's why they duckin Mia X

they can't wait to hear my lyrical murder
the grim reaper, Mama Mia diva with the nerve ta

I'm a batterd woman thats surrounded
by them sharp kitchen knives baby

you gon realize that I ain't to be played with
I get payed with TRU, and I'm a made bitch
so what cha you wanna do, better call your crew
and tell em to come correct
but everything this way sho gon get Xed
hexed I'm a voodoo mistress
roots on all my lyrics, Ri Ri
strong enough to make AMC
don't fuck around, huff puff, then I blow em out
then they all fall down now

when you do, you gon pay me
cause I come to do some damage

with the record label sayin please would ya rap mine
