Torment Me

Blacked

Softied

Don't neutralise in thoughtfulness

Strangeing

The water

Pollute me

By the love they lost for you

For you

Drainageity

The senescens

Running from the sacrifice

The got you

At fin foyne

Letning you

For those who died, who died

Torment me

Lusting yourself with emptiness

You can't connect the dreams they sent

Doing the things lay they all expect rage

Free from all the thoughts they had

Suicide
