Torture (A Suicide Note)

Lost Hopes

Understatements

Salt Flows In My Eyes

Last Chance For Forgiveness

Last Chance To End My Life

My Life My Lies

My Secrets

My Fears Are Haunting Me

Their Shame

Their Illusion

Their Blame

Is All I See

Death Wins All My Hurt End Death Ends All the Hurting

Death Stops My Inner Cries

Why Live In A Mad World

Why Chooke On All The Lies

Torture

Taste Of Metal In My Mouth

Torture

Let Me Pull The Trigger Now

Why Live I Am Worthless

No Room For My Dispair

No Loss For The Living

No One Would Care

I Can't Change What Happened

I Won't Run Anywhere

I Search For A Safe Place

I Am Lost Everywher
