Torture (A Suicide Note)  
Lost Hopes  
Understatements  
Salt Flows In My Eyes  
Last Chance For Forgiveness  
Last Chance To End My Life

My Life My Lies  
My Secrets  
My Fears Are Haunting Me  
Their Shame  
Their Illusion  
Their Blame  
Is All I See

Death Wins All My Hurt End Death Ends All the Hurting  
Death Stops My Inner Cries  
Why Live In A Mad World  
Why Chooke On All The Lies

Torture  
Taste Of Metal In My Mouth  
Torture  
Let Me Pull The Trigger Now

Why Live I Am Worthless  
No Room For My Dispair  
No Loss For The Living  
No One Would Care  
I Can't Change What Happened  
I Won't Run Anywhere  
I Search For A Safe Place  
I Am Lost Everywher
