Verse 1-
All The Girls Standing In The Line For The Bathroom
Just To Go And Do Their Fucking Lines In The Bathroom
We Dont Trip I Dont Judge You.
I Just Make You Feel Like I Love You
Gonna Take You Back And I'll Fuck Ya
Oh Now You Want Me To Cuff You
Number One Rule Like But I Dont Trust You
Lets Chop It Up Like I Drugged You
Put You On The Floor Like I Rugged You
You Mixed With Miley So...
When I Touch You With My Fingertips,They Leave
Fingerprints
Its Been A Long Time I Aint Seen Ya Since
Last Time We Took Flight,Bag It Out White
Remember That Night When We Had...

Just To Go And Do Their Fucking Lines In The Bathroom
Cocaine,Thats What You Said You Need

We Got That,Imma Roll Up My Blunt
Then We Can Proceed
You Chop,Chop,Chop
Line It On Up And Then *Sniff*
You Feel Like You Can Fly
I Break It Down,Roll It On Up Then *Inhale*
I Begin To Get High
Okay Now Line It Up And Then Fuck
Line It Up And Then Function
Girl You Fine As Fuck & I Like That Bag You Brought
Your Drugs In
Cause Both Of Them Designer,Scale Full Of That
Powder
Better Bump This,When You Bump This
It Aint Sugar And That Aint Flower,Stay Up For Half An
Hour
Let Me Fuck You In The Shower
Cause The Last Time We Took Flight A Bag Full Of That
White
Remember That Night When We Had

Baby You Want It,You Need It,We Got It Come And Get
