I can't believe I got so high
Smoke clouds, like out the sun so high
I'm so high, I forgot that line
I can't forget about riverside
The side
But on a road day say all I do is roll up
Yeah I'm smokin
They mad 'cause keeping up so hard
Keepin' up so hard
Keepin' up so hard
Pass that kush
I got the girls in the cars
Looking so hard
They can't catch me though
'Cause keepin' up so hard

(Verse)

Welcome to my room that high room
Double X's kill zone
Double up, extendo there
Make sure that it's real long
I'm smoking on that Schwarzenegger
That Iron man, I'm still gone
Basically what I'm saying is
What I'm smoking is real strong
Keeping up is so hard, life is moving so fast
Yesterday in my rear view, and life's foot on the gas
We used to be in the same position so I get just why
you mad
0 to 60 in less than 10, then vroom, I'm speeding of in
that ass
I'm elevated, levitated, hella faded I'm high
Elevated, levitated, hella faded I'm high
I'm Elevating, levitated, hella faded I'm high
I'm elevated, levitated, elevated I'm high

(Hook)

I can't believe I got so high
Smoke clouds, like out the sun so high
I'm so high, I forgot that line
I can't forget about riverside

What's up
But on the road they say all I do is roll up
Yeah I'm smoking
They mad 'cause keeping up so hard
Keepin' up so hard
Keepin' up so hard
Pass that kush
I got the girls in the cars
Looking so hard
They can't catch me though
'Cause keepin' up so hard
Keepin' up's so hard.
Keepin' up's so hard.
That's that cush.
they got the girls in the car looking,
they're so hard
They can't catch me though,
Cause, keeping up's so hard

(Verse)

Right, let me put you on something on a high note
When the chief with me are are hauling
I have sold it 'cause I smoke
I love bud even my chain's smoking
See that fucking gray clouds like the rain coming
Yeah my rain coming, watch me fly pass
To the top way higher than my high ass
Uh, this OG's from east LA
So loud wish I had this on beats by Dre's
I'm a rock star, fucking pot star
Light up anywhere 'cause I'm not y'all
I'm the kush God fuck with your dawg
Know when I come do make sure you dissabled them
alarms
Cause I'm burnin' down your dorms
Stair cases, back allies
And your school, rolling up at your pep rallies
Tryin' to cop a sack then get at me
Got some shit sure to make you happy
I'm elevated, levitated, hella faded I'm high
Elevated, levitated, hella faded I'm high
Elevating, levitated, hell faded I'm high
I'm elevated, levitated, hella faded I'm high

(Verse)

I like blue drank, blueberry
At the house watching Halle Berry
Movies with groupies in jacuzzi's and they do me
then we smoking up on that ooh wee
Blasting off in that Oh Yeah
Your girlfriend, your ex chick, and your next chick.
They all here
All here, that's 12 months, 12 girls I hit once
2 girls I hit twice and they both arrived on the same
night
At the same time and their names rhymed
Slam dunk I got hang time
One blunt, smoked an 8th of weed
And you still blowing that same dime
I'm elevated, levitated, hella faded I'm high
Elevated, levitated, hella faded I'm high
Elevating, levitated, hella faded I'm high
I'm elevated, levitated, hella faded I'm high

(Hook)
