[CHORUS:

Won't stop, till I drop
Smoke some weed and take a shot
Bright lights, livin' life
Yeah, this girl's lookin' right

Don't stop, make it hot
Watchin' all these bottles poppin' oh
Oh oh oh oooh!
Oh oh oh oooh!]
It's T. Mills
Young Favorites
I'm hella gone right now
Ya know, around the clock
That's why I got all this shit
But uh, fuck it
You know, it's like this

I woke up and I'm still high
Wipe the sleep up out my eyes
Find some weed to my surprise
And a couple girls by my side
With their clothes all around the floor
Hangin' panties on my door
Thinkin' bout' the night before
Like, damn I hit the store

[CHORUS x2]

I got a girl who look like Ke\$ha, yeah, she hella sick
And I got these ladies going Gaga off my disco stick
Tell her wait in line
Less than fine
Cause' for them, I'll make some time
And if the bitch looks like my ex, I might just hit it from
behind
YO!
She's gunna take her jeans off
And lick this whipped cream off
When we TIK TOK, around the clock
And we both don't stop till I end up on top
And she likes it when I hit that spot

Fuck in my room and we never got caught
Heeeeh! Naaah. You remember that, don't you? Okay!

[CHORUS x2]

I spend my time like my money
Burnin' holes in my pockets, yeaaaah!
Tonight is just one of many
I won't let nothin' stop it
Let nothin' stop it
Let nothin' sotp it
I'll never stop (can't stop)
I'll never stop (i want it)
I'll never stop (baby, livin' it up)
We can't stop (can't stop)
We can't stop (i want it)
We can't stop (can't stop)
We can't stop livin' it up
