When Your Hair Has Turned to Silver
Frank Luther and Carson Robian
Words by Charles Tobias; music by Peter DeRose.
First recording by Russ Morgan and his Orchestra.
Popularized by Rudy
Vallee.

Here is my heart with all my love
They both belong to you;
Year after year I'll love you dear.
No matter what we go through.

(chorus)
When your hair has turned to silver,
I will love you just the same;
I will only call you sweetheart,
That will always be your name.
Through a garden filled with roses
Down the sunset trail we'll stray.
When your hair has turned to silver
I will love you as today.

Always it seems I've built my dreams
All bound around you dear;
And I'll confess my happiness
Means having you always near.

(repeat chorus)
