Verse 1:

Ohh watching me, hanging by a string this time.
Ohh easily, the climax of the perfect lie.
Ohh watching me, hanging by a string this time.
Ohh easily, smile worth a hundred lies.

If there's lessons to be learned, I'd rather get my
jamming words in first so, tell you something that I've
found, that the worlds a better place when it's upside
down boy.

If there's lessons to be learned, I'd rather get my
jamming words in first so, when your playing with
desire, don't come running to my place when it burns
like fire boy.

Chorus:

Sweet about me, nothing sweet about me, Yehh
Sweet about me, nothing sweet about me, Yehh
Sweet about me, nothing sweet about me, Yehh
Sweet about me, nothing sweet about me, Yehh

Verse 2:

Blue, blue, blue, waves they crash as time goes by, so
hard to catch. Too, too smooth, ain't all that, why don't
you ride on my side of the tracks.

If there's lessons to be learned, I'd rather get my
jamming words in first so, when your playing with
desire, don't come running to my place when it burns
like fire boy.

Chorus:

Sweet about me, nothing sweet about me, Yehh
Sweet about me, nothing sweet about me, Yehh
Sweet about me, nothing sweet about me, Yehh
Sweet about me, nothing sweet about me, Yehh
(fading out)
Sweet about me, nothing sweet about me, Yehh

Sweet about me, nothing sweet about me, Yehh
Sweet about me, nothing sweet about me, Yehh
