R.J. Johnson/B. Lee

From such a tender age I let you in  
To mess with my insides I don't regret a thing  
And I don't care if you're confused  
Please hold my hand  
Grip the railing I still don't understand  
Twenty metres above the ground, took off my disguise  
I never thought of kissing you is that such a surprise  
I think you've heard my song before  
Won't make you hear it again  
Don't wanna hear about your girl  
Got my own best friend  
And if you wanna hear a tune we'll grab a bite  
Take your quotation marks away  
I got my pride (x 2)  
I ate my mushroom goop  
You were laid-back  
We tried to reinvent ourselves  
We're getting off the track  
And I don't care if you're confused  
Please hold my hand  
Grip the railing I still don't understand  
I think you've heard my song before  
Won't make you hear it again  
Don't wanna hear about your girl  
I've got my friend  
And if you wanna hear a tune we'll grab a bite  
Take your quotation marks away  
I got my pride (x 11)
