R.J. Johnson/B. Lee  
I'll buy a pair of jeans  
A stylish means  
A groovy masterpiece  
I'll cover them with paper men  
And books on zen  
Records shot with darts  
Talk your way out of this one - blah, blah, blah...  
I wrote a song for you (x 2)  
I'll sleep till after three  
I'll brush my teeth  
I'll wash my feet  
I don't feel well  
You couldn't tell  
I look like hell  
Records shot with darts  
Talk your way out of this one - blah, blah, blah...  
I wrote a song for you (x 8)
