Out your tongue in my ear,
It's queer but kinda fun
We're the tomorrow generation,
These's much to be done
So, madam fashion, darling
Step this way
The modern girl's delighted to
Be risquÃ©
Here we go
We're gonna rock 'n' roll 'till stop
And then we'll drop
It's a squeeze
But if you just say please
Then that's fine
It'll be sublime
The bass line cuts deeper than
The sharpest stiletto
So one, two, three, now baby
Here we go

Chorus:
Here we go, here we go
I'm you sugar-coated doll and
You're my Romeo
Here we go, here we go
Geek or unique, hell
Get on with the show
Here we go, here we go
I'm your sugar-coated doll,
You're my hero
Here we go, here we go, here
