We're born in a prison  
Raised in a prison  
Sent to a prison called school

We cry in a prison  
We love in a prison  
We dream in a prison like fools

Wood becomes a flute when it's loved  
Reach for yourself and your battered mates  
Mirror becomes a razor when it's broken  
Look in the mirror and see your shattered fate

We live with no reason  
Kicked around for no reason  
Thrown out without reason like tools

We work in a prison  
And hate in a prison  
And die in a prison as a rule

Wood becomes a flute when it's loved  
Reach for yourself and your battered mates  
Mirror becomes a razor when it's broken  
Look in the mirror and see your shattered fate

We live in a prison  
Among judges and wardens  
And wait for no reason for you  
We laugh in a prison  
Go through all four seasons  
And die with no vision of truth

Wood becomes a flute when it's loved  
Reach for yourself and your battered mates  
Mirror becomes a razor when it's broken  
Look in the mirror and see your shattered fate
