People say we got it made  
Don't they know we're so afraid?  
Isolation  
We're afraid to be alone  
Everybody got to have a home  
Isolation  
Just a boy and a little girl  
Trying to change the whole wide world  
Isolation  
The world is just a little town  
Everybody trying to put us down  
Isolation

I don't expect you to understand  
After you've caused so much pain  
But then again, you're not to blame  
You're just a human, a victim of the insane

We're afraid of everyone  
Afraid of the sun  
Isolation  
The sun will never disappear  
But the world may not have many years  
Isolation
