Well just as tight a\$ you can make it
Hard and slow ain't hard enough
Just as tight a\$ you can shake it girl
Git it on and do your stuff

Tight a\$ you can get it
Tight a\$ got it made
Uptight's alright but if you can't stand the heat
You better get back in the shade

Well just as tight a\$ an indian rope trick
Long and tough ain't hard enough
Just as tight a\$ a dope fiend's fix my friend
Git it up and do your stuff

Tight a\$ you can boogie
Tight a\$ got it laid
Uptight's alright but if you can't stand the heat
You better get back in the shade

Well tight a\$ you can make it
Hard and slow ain't hard enough
Just as tight a\$ you can shake it girl
Git it on and do your stuff

Tight a\$ you can get it
Tight a\$ got it made
Uptight's alright but if you can't stand the heat
You better get back in the shade

Well tight a\$ an indian rope trick
Hard and long ain't hard enough
Just as tight a\$ a dope fiend's fix my friend
Git it up and do your stuff

Tight a\$ you can boogie
Tight a\$ got it laid
Uptight's alright but if you can't stand the heat
You better get back in the shade

Well tight a\$ got me cornered

Tight a\$ got me laid
Tight a\$ strut your stuff so tough
Just a sitting in the midnight shade

Tight a\$ she can boogie
Tight a\$ she got laid
Uptight's alright but if you can't stand the heat
You better get back in the shade
