IN THE STILL OF THE NIGHT  
Leo Reisman

In the still of the night  
As I gaze out my window  
At the moon in its flight  
My thoughts all stray to you.

In the still of the night,  
While the world is in slumber,  
Oh, the times without number, darling  
When I say to you,

"Do you love me as I love you?  
Are you my life to be, my dream come true?  
Or will this dream of mine fade out of sight.  
Like the moon growing dim, on the rim of a hill  
In the chill, still of the night?"
