She's was going to pieces, he walked in the door
She just had to see him, she can't wait no more
Tonight he'll be with her no matter the cost
As the band plays the Last Cheater's Waltz

He tells her he loves her as the music plays on
He tells her he needs her but someone's at home
The ball game's all over and she knows she's lost
As the band plays the Last Cheater's Waltz

And, ooh, ooh, ooh, don't they sound lonely?
And, ooh, ooh, ooh, don't they play sad?
And, ooh, ooh, ooh, three quarter only
Watch how he holds her as they dance to the Last
Cheater's Waltz

And, ooh, ooh, ooh, don't they sound lonely?
And, ooh, ooh, ooh, don't they play sad?
And, ooh, ooh, ooh, three quarter only
Watch how he holds her as they dance to the Last
Cheater's Waltz
