But me, and only me

[Mike Jones]

I fuck a slut get my dick sucked, then I (slide out)

I hit the cut maybe some bucks, then I (ride out)

I'm hot now, so hoes trail me now

So my dick gotta stay hard, it can't fail me now

I blew up quick up in the game, now these sluts chasing

I fuck 'em leave 'em and send 'em home, with some

fuck faces

Mike Jones and my boy Thyra, ain't nobody liver

When my dick hard, all I need girl is your hot saliva

I never claim the pussy mine, cause it ain't mine to

claim

But for some reason when I'm in it, they scream out my

[Mike Jones]

How you want it, from the front or the back

I love a sexy freak bitch, that's so quick to attack

When she hear my name at home, or work she fiending

Wishing time passing, so she can suck on my semen

Like Red I'm a misfit, love to get my dick licked

Sex is so good, when I'm twisted

Gone off X-O, let yourself go

To a world, that only Mike Jones know
