Good night babyâ€¦
It's been so long you know
I'll be home real soonâ€¦
And even though we're far right nowâ€¦
I swear to you, I swear to you
I love you all the same.

Good night babyâ€¦
Let's watch our favorite shows
And laugh the way we always doâ€¦
And even though we're far right nowâ€¦
I swear to you, I swear to you
I love you all the sameâ€¦

So let's just drift into fantasy,
Where our minds can lay in ecstasy.
Cause that's what fantasy is for,
Nothing less and nothing more.
But to get us through what we can't ignore.

Good night babyâ€¦
I had so many stories
I thought that you would like.
And even though we're far right nowâ€¦
I swear to you, I swear to you
I love you all the same.

Good night babyâ€¦
I swear to you
That we'll be back again real soon.
