I was trying just to get away...  
Don't need a suitcase,  
But I'm "extended...  
Stay"-ed awake and found my eyes  
laying blanketed against no ones side...

So, here I am...  
I'm a road that isn't paved.  
And all roses are bouquets  
I can take and smell them on my way,  
Oh, there is no sight of when my life "began"...  
Where are the lights for the "planless"?

I do what I "do",  
Cause something rang true to a life without excuses.  
And the truth is, we are useless without bruises,  
We learned the news is only half the fight,  
Cause Mr.Information needs no confirmation,  
That he is with Mrs. Always Right...

So here I am...  
Looking up for signaling, I'm a...  
Shooting star, but I also got wings to deliver me,  
further than the rest,  
When's the test of "easy" gonna rescue me.
