I've been biting my tongue for too long.  
Heaven only knows how far this goes, my mind is  
finally free.  
Free of heartache, Free of the lies.  
I'm moving in this space i've been avoiding.

Hey, hey, hey, Hey,  
There's gonna be some changes.  
Freedom kiss me sweet  
Liberate these jaded spaces.  
I want to love. What I want to love.  
I want to love. When I want to...

There's been sadness...  
When all the moments in my day seem in my way,  
But now I see that it could mean I wasn't born for this.

Hey, hey, hey, Hey,  
There's gonna be some changes.  
Freedom kiss me sweet  
Liberate these jaded spaces.  
I want to love. What I want to love.  
I want to love. When I want to...
