Come on, ouwahahaha haha, ouwahahaha hahaha.

Ouwahahaha haha, ouwahahaha hahaha.

The unification, ouwahahaha haha, ouwahahaha hahaha.

Are for the happy nation, ouwahahaha haha, ouwahahaha hahaha.

Come on, I saw the final sign shining, enlighten the hearts of lines

Not just for me and mine, I'll share it until the end of time

The trouble leave me alone, I'm feeling so lucky to get me the throne

Should be reclining the stone, it's magic, a happy nation is born.

The unification

I saw the final sign shining, enlighten the hearts of life. Are for the happy nation, I saw the final sign shining... Shining.

Ouwahahaha haha, come on, right now, right now. Ouwahahaha haha, oh, ouwahahaha hahaha.

Come on, don't let the light go down.

Open your heart, spread your love all around.

Rejoice right in your life, tell everybody the truth is alive

The trouble leave me alone, I'm feeling so lucky to get me the throne

Should be written in the stone, it's magic, a happy nation is born.

The unification

I saw the final sign shining, enlighten the hearts of life. Are for the happy nation, I saw the final sign shining... Shining.

Yeah yeah, for all the happy children, yeah yeah, for all the happy boys

Yeah yeah, for all the happy girls, yeah yeah, for the

whole world.

Yeah yeah, for all the happy children, yeah yeah, for all the happy boys

Yeah yeah, for all the happy girls, yeah yeah, for the whole world.

Ouwahahaha haha, ouwahahaha hahaha.
Ouwahahaha haha, ouwahahaha haha, ouwahahaha
The unification, ouwahahaha haha, ouwahahaha

Are for the happy nation, ouwahahaha haha, ouwahahaha hahaha.

The unification.
