You're the only soul in heaven

you're the only soul that shines.

You're the only soul in heaven

now another soul is mine.

You're the only soul in heaven

you're the only soul that shines. . . .

I'll protect you from the hooded claw

Keep the vampires from your door.

Ayeayeayeaye

feels like fire

I'm so in love with you.

Dreams are like angels

they keep bad at bay

bad at bay.

Love is the light scaring darkness away.

I'm so in love with you. Purge the soul

make love your goal.

The power of love

a force from above

cleaning my soul.

Flame on burn desire

love with tons of fire.

Purge the soul

make love your goal.

I'll protect you from the hooded claw

Keep the vampires from your door.

When the chips are down I'll be around

With my undying death-defying love for you.

Envy will hurt itself

let yourself be beautiful.

Sparkling love flowers and pearls and pretty girls.

Love is like an energy

rushing in

rushing inside of me  
yeah.

The power of love  
a force from above  
cleaning my soul. . . .

This time we go sublime. Lovers entwined devine  
devine.

Love is danger  
love is pleasure

love is pure the only treasure.  
I'm so in love with you. Purge the soul  
make love your goal.

The power of love  
a force from above  
cleaning my soul.

The power of love  
a force from above  
a skyscraping dove.  
Flame on burn desire  
love with tons of fire.

Purge the soul  
make love your goal.  
I'll protect you from the hooded claw

keep the vampires from your door.  
keep the vampires from your door.
