Ukabarenai yoru ni kusuburisou  
Totto to oware to kimi bakari daiteru

I'll smolder away in the dark night sky.  
A voice sounds, "everything must end" as I embrace  
you.

Mushi shiteru soredemo yobareteku  
Torawarete yume ni pashiri no you na shuutai

I ignore it, but still, it summons me.  
This horrible thing locks me in a dream.

Iki ga tomaru hodo kimi ni toketemo  
Ashita no soba ni wa nugukirenai kodoku ga ari

Even if I melt so much into you that my breath stops  
Tomorrow will bring a loneliness that cannot be wiped  
away.

Kienai shakunetsu no hana kagayaki misete okure  
Kono yo no hate hisoka ni hanatsu omoi ni  
sasowareyou

Oh, flower of relentless heat, please show me your  
sparkle!  
You shall be guided secretly to the ends of the earth by  
my love.

Itakunai hara o saguranaide  
Machi wa aka nukunai nisemono uzagatteru

Please don't search my painless stomach.  
This city is a fake thing that cannot be cleaned.

Modokashii negai mada todokazu ni  
Waruagaki shitemo koukai hitotsu arun ja nashi

My impatient prayer is still not answered.

Even if my resistance is futile, I will have no regrets.

Kienai shakunetsu no hana kagayaki misete okure  
Kono yo no hate hisoka ni hanatsu omoi nogasanaide

Oh, flower of relentless heat, please show me your  
sparkle!  
Don't abandon my love which travels secretly to the  
ends of the earth.

Douse minna jibun no erabu michi de shika hashirenai  
Motome nagara meguri megurou sou yuu jidai  
deshou?

They say people can only run along the paths they  
choose.  
They seek and find and move on. Isn't that the way this  
era is?

Samayou mirai ni nozomi wa ari?

Is there hope in an aimless future?

Kienai shakunetsu no hana kagayaki misete okure  
Kono yo no hate hisoka ni hanatsu ima o nogasanaide

Oh, flower of relentless heat, please show me your  
sparkle!  
Don't abandon the moment which travels secretly to the  
ends of the earth.

Futari de hitotsu ni natte doko made yukerun darou  
Kasanariai tsuranaru kokoro towa no hikari abite

If the two of us became one, how far could we travel?  
May eternal light shower upon hearts linked together.
