"black or white? version 3"

Visit "[black or white? version 3](#)" on MotoLyrics.com

*kizutsuite mo tomaranai jounetsu o dakishimete
furimukeba tooku naru yume nara ashita wa Black or
White?

Embrace a passion that is unstoppable even if
wounded.
If your dreams become farther if you turn and look
back, will tomorrow be black or white?

yake ni kotaeru nemurenai yoru ga fueru
zutaboro no mama uso bakkari umaku natte
kagami no naka no kusunda me tada mitsumete
maketaku wa nai to omou hodo mukuchi ni naru

Sleepless nights count against you
In a state of despair, you only get better at lying
You just stare at your swollen, red eyes in the mirror
You dream so much of winning, you can't speak.

toreba torikaesu gouin na Everyday
"kimi ni wa niawanai" sou itte hoshii yo

If you obtain something, it is only taken away from you
in your dragging days.
I want to tell you "you deserve better than that"

*-repeat

machi o nagareru hitotachi no kodoku na kage
fumitsukeru tabi ni ayamatta michi o aruku

Whenever you tread on the paths of the shadows of
lonely people in the city
You take the wrong path.

"nani mo oshikunai" "mou dare mo aisanai"
koe ni shinai koe ga yami ni mayoikomu

"Nothing matters anymore", "I won't love anyone ever
again".
Your words that won't come out are lost in the darkness

kizutsuitemo tomaranai jounetsu o dakishimete
furimukeba tooku naru yume demo oikakeru
kekka dake ga subete to waraetara sorede ii
oki ni iccha irarenai megami yo, te o kase Black or
White!

Embrace a passion that is unstoppable even if
wounded.
Even if your dreams become farther away if you turn
back, keep chasing after them!
You'll be fine as long as you can say "all's well that
ends well"
I won't let you be left behind. My Goddess, give me a
chance! Black or white!

kizutsuitemo tomaranai jounetsu o dakishimete
kimagure na genjitsu mo kono te ni tsukamitoru
jibun igai no dareka o aisazu ni irarenai
hitorikiri no yoake o koereba ashita wa Black or
White??!

Embrace a passion that is unstoppable, even if
wounded.
Capture the truth, no matter how obscure, with your
own hands!
We can't go on loving only ourselves.
If we can overcome this night by ourselves, will
tomorrow be black or white??!
