*aishiteru kara wagamama ni natteru ganjigarama ni
shibaritai Your Heart
kimi o doko ni mo tojikomechairarenai kyou mo katte ni
koi wa mawatteru

Because I love you, I'm growing selfish. I want to tie
your heart down.

I can't let you be locked up anywhere, but today, my
passion is moving on its own.

aitai yo kimi ni ima sugu shigoto no tsugou shicchairu
kedo

kimi no jiyuu mitomeru tabi ni boku wa jijii ni natteku ki
ga suru

I'm dying to see you right away, even though I know
you're tied up at work.

Whenever I act overprotective of you, it seems like I'm
turning into an old fart.

mainichi maiban denwa mo nandashi kyori o tsukuru
keredo

hitorikiri hodo iki mo tsukanu koigokoro yoru ni
tsubusarete

What the hell does talking on the phone every day and
night do anyway? It only drives us further apart.

But when I'm alone, my dying passion for you is beaten
in the night

*aishiteru kara wagamama ni natteru ganjigarama ni
shibaritai Your Heart

kimi o doko ni mo tojikomechairarenai kyou mo katte ni
koi wa mawatteru

Because I love you, I'm growing selfish. I want to tie
your heart down.

I can't let you be locked up anywhere, but today, my
passion is moving on its own

"anata nara wakattekureru" sono hitogoto ni angai

I'm unusually weak to the words "I knew you'd

If you really wanna have a drink with some other guys,
go ahead! Why should I care?

chachi a shitto ga mata iochi tori dasaku miraresou de
tsutta sakana ni esa o ataetsuzuketeru mikaeri no oosa

My hateful jealousy eats away my life, so much I'm
beginning to look stupid.
I just keep going for other women as if that is my
sentence.

*aishiteru kara wagamama ni natteru yosomi shinaide
uketomete My Heart
kimi wa dareka no mono nanka janai no ni suki ni naru
hodo ririshikute hontou

Because I love you, I'm growing selfish. Don't ignore
me; accept my heart!
I know you're not anyone's "possession", but you're so
wonderful I fell in love with you; I mean it.

rikai aru you ni hikutsu ni waratteru yasashii otoko anta

aishiteru kara wagamama iwasete yo ganjigarama ni
shibaritai Your Heart
boku no mono da to ienai no wa genjitsu onna no tame
ni koi wa mawatteru

There's a nice-looking guy with you, laughing
mockingly at me as if he knows. Who the hell is he?!
I love you, so let me be selfish! I want to tie your heart
down.
I know I can't tell you that you belong to me, because
love is on a woman's side.
