nurikonde ikou kakedasu unmei he  
nigirishimete kita yume dake ga sono shunkan ni  
kagayaku

Board your destiny before it runs out.  
Just this dream makes the future seem to shine.

itsu kara ki ni shite irun da  
KUROOMU no toge hage guai wo  
goshou daiji ni shiteru  
ai mo mukidashi no mama de

At what point did you begin to pay attention  
To the chrome thorns?  
You see the importance fade,  
While your love also becomes just as bare.

sute koma mo tsukita te no kono IYA na ase ni nanda?

What is this sweaty game of throwing it all away you  
continue to play?

nurikonde ikou kakedasu unmei ni  
gin no kaze wo kiru mune de oikake you

Continue to board this destiny before it runs out.  
Chase it in a boat that cuts the winds of silver.

korogari tsuzukeru saki no hoshou nazo hitsuyou nai  
nigirishimete kita yume dake ga sono shunkan ni  
kagayaku

There's no need for this continuous puzzle to go on.  
Just this dream makes the future seem to shine.

shinu wakyana ni yo na koto hodo  
gamen shitetara shi ni sou  
enryoppa kucha IKEnai  
sei de suru kara IIn deshou

You wouldn't do it if you thought you'd die,

But being patient could kill you.  
Don't be modest about what you say.  
The raw truth is what makes it good.

moto wo toreru PAATII wa sugi ni ohirakinya nara nai

Your parties will continue to be bad unless you work  
harder at them.

fumikonde miyou doko he demo tooku he  
kyoukaisen wo shirazu ni ikeru no kai?

Go where the distance won't be so depressing.  
Without knowing the boundary line, can we go?

tada KIREI na mono bakari wo asaru no wa yame na yo  
kizu no tsukanai mono kono yo ni nai

Stop searching for things that are nothing but beautiful.  
Anything attached to this world will get hurt.

aseretta garu tamashii ga umai mizu hoshigatteru

An irritated soul waits in the water, wishing and  
desiring for better things.

norikonde ikou kakedasu unmei he  
gin no kaze wo kiru mune de oikake you

Continue to board this destiny before it runs out.  
Chase it in a boat that cuts the winds of silver.

korogari tsuzukeru saki no dou datte kawaranai  
nigirishimete kita yume dake ni sono shunkan te ni  
todoku

Things will continue to be the way they were, without  
change.  
I instantly reach for my dreams and clasp them tightly  
to myself.
