Aruki tsukarete kakurega no yoru ni
Nemureru basho wo sagashiteiru

Kasane aeba kami no yooni surikire
Itamushika nai kokoro nante

Ima wa ushiinattemo...

Tsuki yomaware subete ga hoshii wakejya nainda
Hizamazuita nagare no fuchi de ai wo koeba
Kono sora ga boku wo suteruyo

Warai nagara dareka tsukitobashite
Kizu ni kizu wo nasuri tsuzukete

Fusagaranaito anata wo dakukedo
Suna no yooni koboreteku dake

Yoake dake ga aoku...

Tsuki yo maware kawaki to tomoni bokura wa kitanda
Yabure kaketa hageshii omoi ga jidai naraba
Sono sora ni hoshi wa mieruno?
