FASTO FUUDO de yonaka fureretemo  
tokekuru SHEIKU ni namida otosu kurai ni shimasho

Have fast food in the dead of night.  
Shake in time, dissolve your tears to nothing.

DANSU ni kaioute MYOU na BAITO shiteta  
barete kireru nara sore de owari no koi nan deshoushi

Pass the dance, take a bite.  
If it is cut off, this is the end of love.

yume o matenakya onna mo DAME yo  
itsuka RAITO o abite odoretara

Women are useless if they don't have dreams.  
Pour the light on and dance.

yokubari ni mo hodo GIRL suteki na koto o yamenaide  
hashagu machi wa kyou mo sasayaku  
"warui you ni wa kesshite shimasen"

Even a greedy girl will stop me if she's cute enough.  
Today in town it was whispered,  
"Never make a bad choice".

kawaii ni mo hodo GIRL KIREI na atashi o mite ite  
atama katai no wa kirai yo oshii to ato de kuyandenasai

Even a lovely girl will make me look if she's cute  
enough.  
My head makes me dislike how regrettable it feels  
when we stop afterwards.

SENSU ga nai no ga chimeiteki na no yo  
ATASHI katteru to terebi minagara kuraberu no

It makes no sense, this is fatal.  
Compare it to what you see when someone wins on TV.

amai hanashi ni umaku nottetai

itsuka zasshi no naka de waraereba

I want to accept this sweet offer.  
Yet in magazines they laugh at me.

wagamama ni mo hodo GIRL minna ni furimukaretai no  
sekkyou kusai no wa nigate yo otonashii ko to jimichi  
shitenasai

Even a selfish girl can make everyone turn around if  
she is what we like.  
Daughters reach our weak points, but we remain  
steady and gentle.

yokubari ni mo hodo GIRL suteki na koto o yamenaide  
hashagu machi wa kyou mo sasayaku  
"warui you ni wa kesshite shimasen"

Even a greedy girl will stop me if she's cute enough.  
Today in town it was whispered,  
"Never make a bad choice".

zuuzuushii ni mo hodo GIRL HADAKA mo chotto jishin  
aru  
mae mukina ATASHI ga suki yo yubi o kuwaete  
mitereba ii wa

Even an impudent girl can give me just a little self  
confidence.  
I clench my fingers, yet my favourite part is coming up  
in future's time
