Nigitta kobushi no tsuyosa de kudaketa
Negai ni chi wo nagasu te no hira
Hate nai tsubasa to kusari wa yoku ni te
Omosa de doko ni mo ikezu ni

Nakusu bakari no osanai hito-mi de
Hito wa kanranu hoshi wo omou

Kakageta sorezore no hi wo
Jnochi to sakasete
Hakonde yuku koto ga unmei
Kagayaki kizamu
Daremo ga yasashii toki no kisuato

Owatte naite mo kawari wo tsukutte
Subete wa wasureru tame ni aru... ?
Asu ga sora kara furu hane no you na
Samete setsunai maboroshi demo

Muchuu de kizutsuku koto-wo
Jkiru to iu nara
Kei nai kimi dake ga shinjitsu
Nokoshite koko ni
Mabushiku hakanai bokura no ato wo

Kakageta sorezore no hi wo
Jnochi to sakasete
Hakonde yuku koto ga unmei
Kagayaki kizamu
Daremo ga yasashiku

Muchuu de kizutsuku koto-wo
Jkiru to iu nara
Kei nai kimi dake ga shinjitsu
Nokoshite koko ni
Mabushiku hakanai bokura no ato wo
