The angels bow down at the thought of you  
The darkness gives way to the light of you  
The price that you paid gives us brand new  
Hosanna forever we worship you

For you are the joy that my soul longs for  
The lamb that was slain for my sins  
and the one I adore  
King of kings, ruler of everything  
Hosanna forever we worship you

For your patience and kindness  
And favor and mercy  
And honor and glory  
Because you are worthy  
We can't live without you  
We can't sing without you  
Hosanna hosanna

No greater love in this world but you  
No one can compare to the things that you do  
Where ever you go I will follow you  
Hosanna forever we worship you

Someday every tongue shall confess your name  
This house made of clay soon shall pass away  
And whatever the test you will bring us through  
Hosanna forever we worship you

Hosanna forever  
Hosanna forever and ever  
Hosanna  
We praise you  
Hosanna forever and ever
