Summer of rain  
Out of the clouds you came and  
Froze my heart  
Running alone  
I never thought of changing  
But now I can't forget you  
The days are lost without you

I'm dreaming of long summer nights  
And I'm searchin'...

As far as the eye can see  
Is much too far for you to be  
As long as you're lyin' here  
That's all I need to know

I was afraid  
You were a gamble in my lonely world  
(Fear was easy)  
I know you'll be here in the end  
I'll keep searchin'...

As far as the eye can see  
Is much too far for you to be  
As long as you're lyin' here  
That's all I need to know

[Solo]

I'm dreaming of long summer nights  
I'm searchin'

If your eyes could see  
What you mean to me  
Oh, when you're lying here  
That's all I need to know

As far as the eye can see  
Is much too far for you to be  
As long as you're lyin' here  
That's all I need to know
