Girl, I'm crazy for your eyes,  
Like a killer with a bloodshot disguise  
You got a smile like a gateway to heaven  
And I'm coming on through...  
I'm a sinner with the best of intentions  
And you are losing your mind  
I shot a kiss from a six-string machine gun,  
And I'm way outta line...  
I can't go on with this feeling  
And I can't go on without  
I can't go on with this feeling  
And I can't go on without...  
Girl, you got a suicidal boogie  
With a genocide beat  
I'm a crash in car collision heaven  
When you dance in my street...
