I'm a lucid dream  
A hundred million scenes  
Spin my mind into spiral clouds  
That break me through  
And I'm not listening to any doubts you bring  
No more time to waste  
It's here and now, it's all I taste

Oh say what you wanna say  
Oh I'm gonna live today

Kingdoms in the sky  
Don't really get me high  
I wanna get there from here  
But I don't believe it, it's crystal clear  
And I am not afraid when I'm feeling sane  
I'm just trying to be beautiful in spite of me

Oh say what you wanna say  
Oh I'm gonna live today

And I just wan to celebrate this moment I created  
From nothing, and I've only just begun

Oh say what you wanna say  
Oh I'm gonna live today  
Oh say what you wanna say  
Oh I'm gonna live, I'm gonna live today  
I'm gonna live today  
I'm gonna live today
