I saw her standing there  
I should have known better  
I wanna be your man  
I wanna hold your hand  
I wanna tell you  
I want you  
I'll be back  
I'll cry instead  
I'll follow the sun.

She came in through the bathroom window,  
She loves you  
She said, she said,  
She's a woman  
She's leaving home  
Wait  
We can work it out  
What goes on  
What you're doing  
What's the new Mary Jane

Across the universe Michelle  
I wanna hold your hand  
All you need is love, Michelle  
I wanna be your man...

Now we're talkin'  
A day in the life,  
Now we're talkin',  
A hard day's night,  
Now we're talkin',  
Eight days a week  
Now we're talkin'  
Hold me tight...

When I get home  
When I'm sixty four  
While my guitar gently weeps  
Why don't we do it in the road?  
With a little help from my friends  
Within you, without you  
Wild honey pie

Lady Madonna, let it be...

You've gotta hide your love away  
Because you drive my car  
Good day sunshine come together  
Back in the USSR...

Now we're talkin'  
A day in the life,  
Now we're talkin',  
A hard day's night,  
Now we're talkin',  
Eight days a week  
Now we're talkin'  
Hold me tight...

Across the universe Michelle  
I wanna hold your hand  
All you need is love, Michelle  
I wanna be your man...

Now we're talkin'  
A day in the life,  
Now we're talkin',  
A hard day's night,  
Now we're talkin',  
Eight days a week  
Now we're talkin'  
Hold me tight...
