Running blind, tonight I'm gonna crash in a nameless town

Your lovelight shines so guide me through a ride on this merry-go-round

No disguise could shatter my smile, cover my intentions

It's in your eyes, I know you didn't come under false pretensions

I've been around the world and there is no destination  
Sweet mama take my hand and we'll dance right through temptation

Well I might forget you  
But I still respect you  
When I rock 'n' roll away  
Don't believe in sorrow  
So don't cry tomorrow  
When I rock 'n' roll away

Gypsy girl you're playing shy but your smile is showing  
It's a one way ride one more song'll take us where we're going

I don't know when this will end, yeah I lost my reservation  
Chasing my tail again, it's a no-win situation

Well I might forget you  
But I still respect you  
When I rock 'n' roll away  
Don't believe in sorrow  
So don't cry tomorrow  
When I rock 'n' roll away  
Well I might forget you  
But I still respect you  
When I rock 'n' roll away  
Don't believe in sorrow  
So don't cry tomorrow  
When I rock 'n' roll away

I've been around the world and there is no destination

So darling take my hand, it's a no-win situation

Well I might forget you  
But I still respect you  
When I rock 'n' roll away  
Don't believe in sorrow  
So don't cry tomorrow  
When I rock 'n' roll away  
Well I might forget you  
But I still respect you  
When I rock 'n' roll away  
Don't believe in sorrow  
So don't cry tomorrow  
When I rock 'n' roll away
