I don't like to be alone
With thoughts that don't belong
To me
And I can swim inside your head
For hours till I'm fed
With all your insecurities

It takes me forever and a night
To get back in my own fight

Chorus:
Sometimes, I don't wanna be, I don't wanna be me
There's some kind of lie, that I just can't see
And sometimes, I don't wanna be me

I am suddenly aware
Of what you're doing here
And why I hate myself today
It burns a hole through everything
A word can leave a stain
That doesn't always wash away

It takes me places I don't wanna go
It's not the me that I know

Chorus:
Sometimes, I don't wanna be, I don't wanna be me
There's some kind of lie, that I just don't believe
And sometimes, I don't wanna be me

Oh, it takes me places I don't wanna go
It's not what I know

Chorus:
Sometimes, I don't wanna be, I don't wanna be me
There's some kind of lie, that I just can't see
And sometimes, I don't wanna be me
Oh, sometimes I get in my way with the little things you
say
It makes me believe that I'm not ok
Sometimes, I don't wanna be me
