Rise & fall, breathing small,
Chasing demons away
I'm a king in my desert world,
I'm a snake in the shade,
I think you know me well and I know you I do.
Sunless star in a falling sky that's who I've always been.
Well disposed and paralyzed I need a thicker skin.
I'm trying hard to find the words
To say that I won't be here tomorrow,
'Cause I just can't feel today no.
Miles wide where our souls divide, how did you get so
pure.
Angel face you're in God's embrace, won't you be my
cure.
I think you know me well and I love you
But I won't be here tomorrow,
'Cause I just can't feel today and everything I am is
hollow
There's nothing I can hold onto.
I'm coming home to be with you
When I can shine
Sunless star did you go too far chasing demons away
