I got a letter from you today  
And though it said you were sorry  
I still try to think of ways to hurt you

But that's one thing I won't do  
As much as I would like to

I got a letter from you today  
Bitter cold just like your face  
The last time you came home in the morning

But all the words in this world  
Could never make it true  
I'll just stay in denial

Chorus:  
It's all I think I can do  
It's all I can do  
It's all I can do, all I can do

I got a letter from you today  
My blood was spilled on the page  
I never knew a pen could cut so deeply

But all the words in this world  
Could never make it true  
I'll just stay in denial

Chorus

I got a letter from you today  
And though it said you were sorry  
I got a letter from you today  
Bitter cold just like your face
