was never shy,
too shy, with you
baby I just took, my, time, to get close to you reached,
inside, to open
your heart face to
face, I just can't wait for you to
"Kiss me baby ... drown me with your affection, touch,
me, wrap me up in
your arms ...
'cause you really move me ... Kiss me baby ... drown me
with your
affection, touch, me,
wrap me up in your arms ... 'cause you really move me
...
"I never felt such emotion, never needed to cherish
someone. But now
I've found YOU, I
think you feel it too, let me show you Heaven-on-Earth,
and I will
always be, your, guide to
perfection doubt, no, more, you gotta let love, take, a
hold, and let me
take, your, hand, and
lead you into my garden of love

self control,
don't you know I'm
crazy about you baby, so come on and drown me with
your love and
affection, affection,

"Come a little closer to me now come a little closer to
