My pretty girl you cannot stay
To work a lot and everyday
Be young and be so crazy
Wake up, enjoy and feel the sound
Makeup and go, your face is brown
You are OK, my babe

With the silver and the brown
You remind prehistoric sound
Yamanba gal I want you
In the music you have fun
Panda face, I tan around
And in Japan, come on!
All everybody

[Chorus]
Gan-guro
You, like a superstar
I'm coming to Japan
Until the rising sun
Oh oh oh
Gan-guro
Together we have fun
Yamanba in Japan
I catch your body, catch your body WOW!

You get and tan your lovely skin
You buy loose socks and tiny suit
I wanna be your babe
Enjoy with you, enjoy with me
You get a lot, you get a dream
You are the best, my babe
